☑ 選択 **Academic OneFile**
Academic OneFile is the premier source of peer-reviewed full-text scholarly content across the academic disciplines. With millions of articles available in both PDF and HTML full-text, *Academic OneFile* is both authoritative and comprehensive.

☑ 選択 **General OneFile**
General OneFile is a one-stop source for news, magazine, and periodical articles across a wide range of general interest topics and academic disciplines. With millions of articles available in both PDF and HTML full-text, *General OneFile* serves a wide audience of readers.

☑ 選択 **Popular Magazines**
Popular Magazines provides access to the most searched magazines across the InfoTrac products. All of the titles are selected based on actual publication searches performed by library patrons and the database includes many titles recommended by Bowker's "Magazines for Libraries".

☑ 選択 **Gale Virtual Reference Library**
Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials once were accessible only in the library, but now you can access them online from the library or remotely 24/7. Because each library creates its own eBook collection, the content you see may vary if you use the database at different libraries (your school, your public library, or your office).

☑ 選択 **Opposing Viewpoints In Context**
Opposing Viewpoints In Context is an engaging online experience for those seeking contextual information and opinions on hundreds of today's hottest social issues. Drawing on the acclaimed Greenhaven Press series, the solution features continuously updated viewpoints, topic overviews, full-text magazines, academic journals, news articles, primary source documents, statistics, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.
